

The Cube™

Product Overview

A primary concern in many multi-family residences is the lack of adequate or secure multi-purpose storage. The Cube is a quality-built product that is installed professionally by Storage Box Solutions. It creates a welcome storage environment compared to traditional storage cages.

Product Benefits

- Provides improved privacy and extra security for stored belongings
- Can be used to repurpose unused building spaces to add storage or bike lockers
- Potential new revenue stream for apartment building owners
- Quality construction from durable materials that are built to last
- Custom built to suit the available space
- Affordable monthly lease to own options reduces up front capital requirements
- Increases building value, market competitiveness and homeowner / tenant satisfaction
- Upgrade existing unsightly and non-private storage cages with the clean appearance of the Cube
